### PROFESSIONAL EXPERIENCE

---

#### Executive Operations Assistant | August 2026 - Present

Confidential Client | Healthcare Services | Part-Time | Remote

- Provide executive-level operational support across 3 strategic business development areas, tracking active opportunities, priorities, deadlines, and follow-ups.
- Audit and maintain opportunity pipeline records in Monday.com, ensuring clear status, ownership, next actions, due dates, blockers, and supporting documentation.
- Track deadlines and follow-up windows, identify stalled items or execution gaps, and flag matters requiring attention or escalation.
- Prepare concise executive control briefs and status updates highlighting priorities, risks, blockers, and recommended next actions.
- Maintain accurate documentation of actions taken, responses received, evidence, and outstanding items to support executive decision-making.

#### Executive Virtual Assistant | November 2025 - April 2026

Confidential Client | Automation Engineer, Hospital & Clinic Clients | Project-Based | Remote

- Provided part-time executive and administrative support to 2 executives, managing inboxes, organizing and filtering messages, and drafting professional responses.
- Handled calendar and appointment scheduling across multiple time zones while avoiding conflicts.
- Supported tasks and projects using project management tools to track deadlines and deliverables.
- Conducted online research and summarized findings into concise, actionable information for the executive.
- Prepared and edited documents, reports, and content materials while handling sensitive information with discretion.

#### Instagram Lead Generation Specialist | October - December 2025

Confidential Client | Online Fitness Coaching Business | Project-Based | Remote

- Responded to Instagram inquiries professionally and maintained prospect engagement.
- Generated 3 qualified leads during a 20-hour weekend coverage assignment through personalized prospect engagement and qualification.
- Supported the sales pipeline by organizing lead information and follow-up needs.

#### Business Owner & Operations Manager | 2018 - 2025

Kirzel's Sweet Tooth & Prints | Full-Time

- Managed end-to-end business operations for 7 years, including customer communications, scheduling, orders, payments, inventory, and supplier coordination.
- Coordinated approximately 50-100 party-needs orders during active ordering periods while maintaining order accuracy, customer communication, and fulfillment.
- Managed thrift-clothing inventory averaging 3 bales per month and handled approximately 40-50 rolled-ice-cream orders per month.
- Developed SOPs, operational checklists, and workflows while conducting product and pricing research and coordinating supplier relationships.

#### Campaign Manager | 2016 - 2018

Voiceless Technologies Philippines, Inc. | Full-Time

- Managed operations across 5 simultaneous campaigns with approximately 15 agents each, supporting about 75 agents in total.
- Served as primary client liaison, coordinated campaign execution, tracked KPIs, and prepared end-of-day performance reports for stakeholders.
- Coached team members to improve lead generation outcomes and campaign performance.

#### Quality Assurance Specialist | 2014 - 2016

**Voiceless Technologies Philippines, Inc.** | Full-Time

- **Audited an average of 30 customer calls per day for quality, compliance, and proper call flow.**
- **Documented audit findings, participated in calibration sessions, and supported NTEs or coaching when violations were identified.**
